

PRODUCT FEATURES

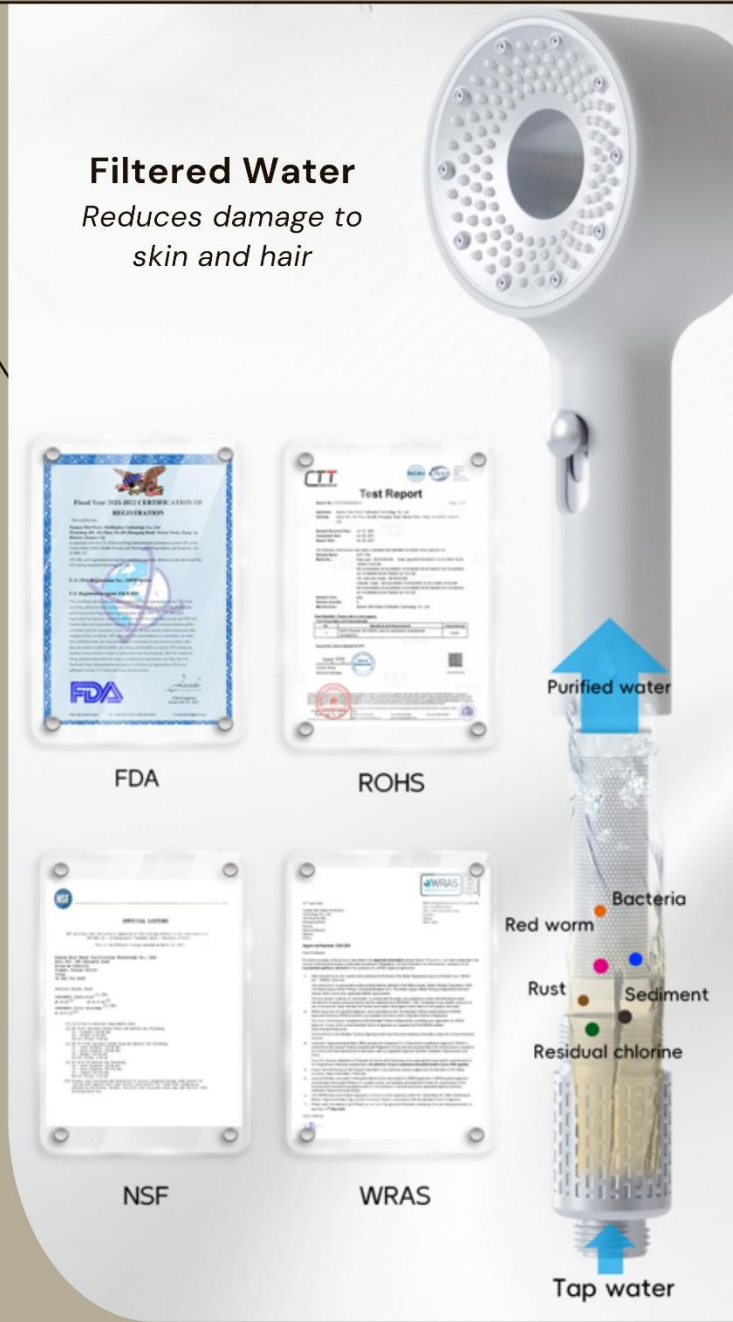

- 1 Activated Carbon Fiber (ACF) Filter**
 - **What it does:** Efficiently removes residual chlorine, heavy metals, and impurities from tap water.
 - **Benefit:** Protects skin and hair from harsh chemicals, reducing dryness and irritation.

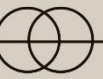

Activated Carbon Fiber (ACF) Filter

Certifications

- **FDA** (Food and Drug Administration)
- **WRAS** (Water Regulations Advisory Scheme)
- **NSF** (NSF International)
- **RoHS** (Restriction of Hazardous Substances)

CERTIFICATIONS (FILTER)

- **FDA** (Food and Drug Administration)
 - Responsible for protecting public health by ensuring the safety, efficacy, and security of human and veterinary drugs, biological products, medical devices, our nation's food supply, cosmetics, and products that emit radiation. While primarily US-focused, its standards are globally recognized.
- **WRAS** (Water Regulations Advisory Scheme)
 - A certification mark in the UK that indicates a product complies with the regulations that require water fittings (like showerheads, taps, etc.) should not cause waste, misuse, undue consumption, or contamination of water.
- **NSF** (NSF International)
 - For water filters, NSF certification means a product has been rigorously tested to meet strict standards for public health protection, ensuring it removes the contaminants it claims to.
- **RoHS** (Restriction of Hazardous Substances)
 - It aims to protect human health by limiting substances like lead, mercury, cadmium, and certain flame retardants.

**Vitamin C
Aroma Ring**

**Available in
Multiple Scents**

*Lemon, Rose,
and Lavander*

PRODUCT FEATURES

- 2 Aromatherapy Ring**
